If shootout, report using decimal point for scores, 7.2 and 7.4 where 7 was the score for each team at the end of regulation and the number after the decimal point was the number of goals scored in the shootout...

Teams need to hand in Verified Roster, **AND SCORE SHEET** to the desk prior to each game. If only verified roster and no score sheet, COACH MUST FILL IN THE NAMES INTO A BLANK SCORE SHEET.

A 3-HOLE PUNCH IS HELPFUL TO PUNCH THE RIGHT EDGE OF THE WHITE TEAM'S SCORE SHEET AND THE LEFT EDGE OF THE DARK TEAM'S SCORE SHEET; HAVE BOTH EDGES PUNCHED FOR THE BLANK SCORE SHEETS IF NEEDED.

TWO SCORE SHEETS MAKE UP THE BOOK FOR THAT GAME, PUT THE WHITE TEAM ON THE LEFT SIDE AND THE DARK TEAM ON THE RIGHT SIDE INTO THE BOOK.

WRITE THE TEAM NAMES & GAME #'s INTO EACH SHEET!!!

TEXT THE SCORES IN, SEE ABOVE, AFTER EACH GAME!!!

The referees should be doing a photo ID check at each halftime for the next game coming up.
